Indicative financial band

CZK 100,000-500,000

Invoiced railing manufacture; excluding VAT

Custom manufacture and supply

Custom manufacture of stainless steel railing for the refurbishment of a municipal pond in Leština. The metalwork supply formed a separate part of the wider construction project beside the water and was completed in 2023.

SCOPE OF WORK

- Stainless steel railing for an outdoor pond-side space
- Separate metalwork supply within the refurbishment
- Custom manufacture with collection from the production site

EMKO project portfolio. Supplier at the time of delivery: EMKO HOLDING s.r.o.
